PERSONAL SUMMARY

I am a Senior Art Director/Designer located in Longwood, FL. with more than 22 years in the design and marketing industry. Being both and digital and print literate, I have managed a wide variety of design projects from conception to completion. I am highly proficient in current design software applications and technology and work predominantly in the Mac OS.

SUMMARY OF QUALIFICATIONS

- Extensive experience with directing and managing creative teams of graphic designers, production artists, copywriters, web producers and outside contractors/agencies.
- Experience with collaborating with other departments (i.e. account service team, production, etc).
- Proficient in a variety of media: print, web, interactive, etc.
- Excellent organizational and communications skills. Work well in a team or individually.
- Exceptional design and conceptual skills include a well-developed sense of composition, typography and color.
- Ability to work effectively with clients and deliver under deadline constraints.
- Highly proficient in the Macintosh OS and skilled in the Windows environment.
- Fluent understanding of web-based technologies, cross-platform and cross-browser design issues
